We are pleased to present our latest catalog of fine hardwood gifts. In its pages you’ll find not only many new items and art designs...but always our quality and attention to detail that comes from years of experience with fine woodcraft.

About our Products
The majority of the products you see are made of domestically-grown cherry wood. They are manufactured ourselves here in the USA. The engraving is created with lasers whose intense light beam literally vaporizes the wood, creating a detailed design.

Don’t Need Gift Boxes?
If you wish to receive your order without gift boxes, we will deduct $.25 from the cost of each product. Just tell us “No Gift Boxes Please” when placing your order.

Guaranteed Sales!
If you discover that a Wilderness Woods product doesn’t sell for you, we’ll take it back and pay return shipping. We'll credit your account or replace those items with ones that you feel sell the best.

Pricing Identification Labels
We can put price labels on each Wilderness Woods product so that you can take them from shipping box to shelf. Your labels will have your store's name, price (you set the selling price) and item number. You can also choose UPC bar code labels! Please call us and we'll be happy to assist you in using this service.

Shipping
Orders are shipped via UPS Ground within the contiguous USA, F.O.B. Rockford, IL. COD charges not included.

Looking for a Specific Art Theme?
Tell us what you’re looking for and if available, we can send you a printout of all the products that design is set up for!

Note: If you don’t see a design that you’ve ordered in the past, don’t worry... All old designs are still available!

Musical Movements
The songs listed below are available on our music boxes. We have paired each art design with a specific musical movement. These selections are noted throughout the catalog next to each art choice.

We will be happy to substitute any of the musicals listed below. Just tell us which code letter you want when ordering (subject to stock availability).

About the Artists
Since 1987, Carol Watkins (left) and Rebecca Rettenmund (right) have designed and created nearly 200 original illustrations that are used to adorn our products. Their confident and naturalistic style have given Wilderness Woods a look distinctly our own.

We have recently broadened our art offerings to include the talents of a number of new artists from outside the Midwest. Their unique perspective enables us to offer art with more diverse regional themes.

Wilderness Woods is a member of the Heartwood Creations’ family of fine wood products. Since 1978, Heartwood has been providing fine, American-made wood products to folks the world over. (All Wilderness Woods and Heartwood products can be combined on the same order:) Heartwood is committed to responsible use of forest resources and plants 5 trees for each tree that is used.

Wilderness Woods is pleased to offer you our officially-licensed products featuring the wildlife designs of the Federal Duck Stamp program. These commemoratives bear a detailed, laser-engraved rendition of the original Duck Stamp design on the top rendered in our Lasertint™ engraving method. A color reproduction of the artist’s illustration with identifying remarque is proudly displayed in the black-lined interior.

These stamp designs have been licensed by the United States Fish and Wildlife Service and royalties received from the sale of this product go directly to the purchase and preservation of wetland habitat.
